

- VILLA CORNETO
- CORNETO MC ITALY

This wonderful country house, dating back to the beginning of the 1900s, is set amongst beautiful rolling hills, just a few kilometres from the historic centres of Matelica, Camerino and San Severino Marche.

It enjoys a panoramic position with spectacular views of many of the area's ancient villages and the Monti Sibillini National Park beyond.

This is rare opportunity to acquire a unique Marche property and create a truly impressive country retreat and an excellent Italian investment opportunity.

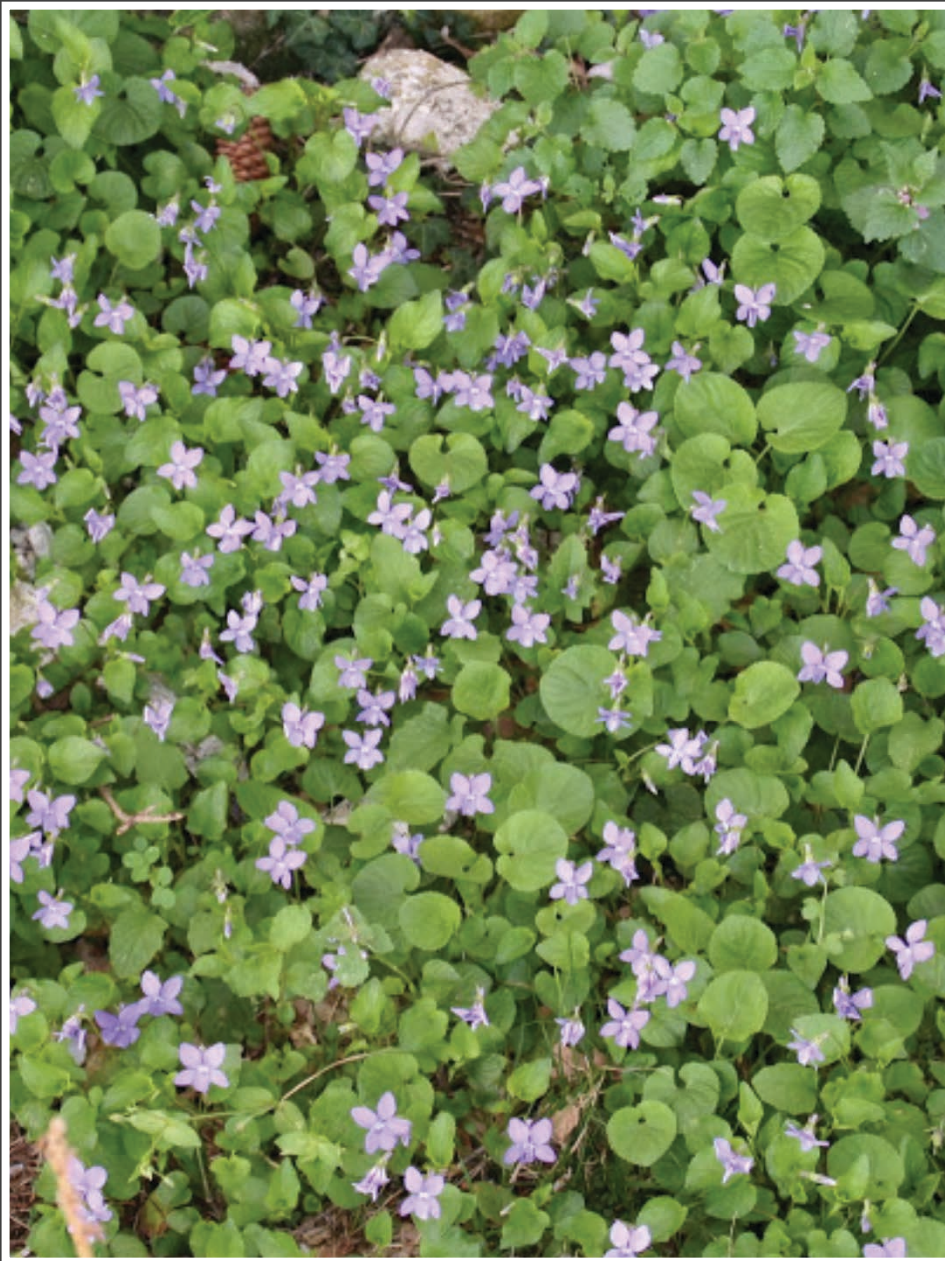

The property (600 sqm) will be divided into 5 luxury apartments. Two on the ground floor (each 100 sqm) with private garden area, and three over the remaining three floors of the palazzo each with private terrace. All will enjoy stunning views.
